# Young Somerset Joins The Dulverton Weir Restoration Project

Dulverton Weir & Leat Conservation Trust is delighted to announce that Young Somerset has become a Trust Partner in the important project to restore Dulverton's ancient weir and mill leat.

Young Somerset is the largest youth work charity in Somerset and their mission is to put young people first. Their vision is delivered through three strands of work: Youth Work; Alternative Learning Provision and Enterprise; Emotional Wellbeing and Mental Health Support. As part of their youth work strand, Young Somerset runs Dulverton Youth Club and has also recently opened a shop in Taunton called Bold & Brave.

Bold & Brave is an exciting new social enterprise shop, bringing together young people and the community. At Bold & Brave you'll discover unique handmade goods and locally sourced products, all made by young people or to support young people. It's also a community hub, a social enterprise space and a place that provides young people with the opportunity to have visible roles within Bold & Brave, whilst gaining work experience and life skills training. Find Bold & Brave at 14 Riverside Place, TA1 1JH.

Philip Hull, Trustee Dulverton Weir & Leat Conservation Trust comments "A key part of the project is the preservation of the weir and leat for future generations. Young Somerset will play an important part in ensuring that younger parts of the community appreciate, value and develop a sense of ownership of this key historical asset."

Nik Harwood, Chief Executive Young Somerset, said "Young Somerset are delighted to become a Trust Partner to support young people's engagement with the heritage and history of their community. We know that this partnership will enhance our work with young people in Dulverton, on Exmoor and further afield."
