# Dulverton Weir Trust Annual Garden Party

On 16 July the Weir Trust held their annual garden party, hosted at Witheridge Farm, Bridgetown, by kind permission of Mr and Mrs Michael Archer.

Extremely hot weather meant that trustees decided to hold the event in one of the barns, which also gave a more intimate atmosphere.

During the welcome address Lead Trustee Philip Hull speculated on whether global warming might mean events of this nature are more likely to be held under cover in the future.

With more than 100 attendees — including Mrs Olivia Winterton, Deputy Lieutenant of Somerset, Rachel Gilmour MP, Nik Harwood, CEO of Young Somerset, Sue May, Chair of the Exmoor Trust, and Kate O'Sullivan, Chair of the Exmoor Society — DWLCT was able to raise funds and keep supporters up to date with project progress at an event which was enjoyed by all.
